***Please note:***

TO ENSURE NO CONTAMINATION, ALL PLASTERBOARD LOADS DISPOSED WILL NEED THE DOCKET SIGNED BY SITE MANAGER.

NB: **WE DO NOT ACCEPT HORSEHAIR PLASTERBOARD** – IF FOUND IN YOUR LOAD YOU WILL BE ASKED TO RETURN TO COLLECT. IF NOT COLLECTED YOU WILL BE CHARGED THE GENERAL WASTE FEE PLUS A PENALTY.

REGYP only accepts plasterboard waste for recycling! We are not a general C&D waste operation.

Therefore we will be watching the disposed loads closely and if we find large amounts of contamination such a chipboard, fibreboard (FCR), MDF, laminated plasterboard and fibrous ceiling tiles you will receive a warning.

**Three warnings and you will not be allowed to tip plasterboard waste again.**

Please find an acceptable waste list attached.

We would also appreciate if you could update us if there are any changes to your fleet that currently go to Regyp.

If you are going to use sub-contractors or hire trucks to dispose of plasterboard, you will now be required to email or contact us by phone and advise us of the company name and/or the truck number plate that is working on your behalf.

Should you fail to advise and we have to find out the customer details via other avenues, you will be charged an administration fee of \$50.00 for each number plate/truck disposing of your waste plasterboard at Kurnell.

Sustainable Recycling Solutions

## PLASTERBOARD WASTE RECYCLING

REGYP provides cost effective and sustainable plasterboard waste collection and disposal services to manufacturing, construction and demolition companies.

### SOLUTIONS • COLLECTION • REPORTING

- Solutions that can reduce your waste cost
